

ETERNAL HOSPITAL'S

Achievements Key Highlights

Eternal Hospital – A Benchmark in Healthcare Excellence

1. Legacy & Vision

Eternal Hospital, a 250-bed world-class multispecialty hospital, was founded with the vision of ***Mrs. Manju Sharma and Dr. Samin K. Sharma***, a globally renowned interventional cardiologist at Mount Sinai Hospital, New York, USA. Our hospital stands out with international collaborations, global accreditations, and state-of-the-art medical technology.

2. Prestigious Accreditations

- ***JCI Accreditation*** – The only hospital in Rajasthan accredited by the Joint Commission International (JCI), USA, representing global healthcare quality and patient safety.
- ***NABH Accreditation*** – A testament to our commitment to world-class patient care.
- ***NABL Accreditation*** – Ensuring the highest standards in diagnostics with NABL-certified laboratories.

3. International Collaborations & Recognitions

- Mount Sinai Hospital, New York, USA – One of only two hospitals in India affiliated with this top global medical institution, allowing us to integrate the latest advancements in medical care.
- ***American College of Cardiology Accreditation*** – Eternal Hospital is the only hospital in India designated as a Centre of Excellence by the ACC, solidifying our leadership in cardiac care.

4. Academic & Research Excellence – NBEMS Affiliation

As a premier center for medical education & training, we offer:

- ***DNB Cardiology (Super-Specialty)***
- DrNB Neurology, DNB Radiology, General Medicine & Anesthesia
- ***Critical Care Training***: IDCCM, IDCCN, CTCCM

Our commitment to medical excellence ensures that we train and produce the finest medical professionals, aligning with international standards.

5. Rajasthan's Most Distinguished Doctors

Our medical team includes some of the most eminent specialists in India, such as:

- **Dr. Rajeev Gupta** – Recognized as the No. 1 Physician in India by Stanford University.
- **Dr. Ajeet Bana** – With over 20,000 successful cardiac surgeries.
- **Dr. Jitendra Makkar, Dr. Sanjeev Sharma, Dr. Suresh Gupta, Dr. R.S. Khedar & Dr. D.S. Malik** – Industry leaders, with Dr. Malik setting records for performing hernia surgery on a 104-year-old patient, featured in the India Book of Records & International Books of Records.

6. Cutting-Edge Medical Infrastructure

Eternal Hospital continually invests in advanced medical technology, featuring:

- State-of-the-art ICUs, modular OTs, Molecular Labs, and a 256-slice CT scan.
- Three fully equipped Cath Labs, making Eternal the only hospital in Rajasthan with this advanced interventional cardiology capability.
- **3 Tesla Cardiac MRI** – The most advanced MRI technology, enabling highly detailed imaging of the heart and cardiovascular system for accurate diagnosis and treatment planning.

7. Awards & Recognitions

Eternal Hospital has received 26+ prestigious awards, including:

- **No. 1 Multispecialty Private Hospital in Jaipur (The Week Best Hospital Survey** – five consecutive years).
- **Most Iconic Healthcare Organization** – Rajasthan Leadership Award by World Health & Wellness Conference.
- **Rajasthan's Best Employer Brand Award 2024** – Recognized by CHRO Asia (Employer Branding Awards).
- **CEO with HR Orientation 2024** – Awarded to Dr. Pracheesh Prakash by the Human Capital Award.

- Leading Multispecialty Hospital of Rajasthan, honored by the Health Minister of Rajasthan (TOI Awards).
- Best Hospital of the City, awarded by Dainik Bhaskar and the Private Nursing Home Society.
- Official Medical Partner of Rajasthan Royals (IPL) since 2017, strengthening our brand association with sports and healthcare.
