

PATIENT CARE BROCHURE

About Eternal Hospital

Eternal Hospital - a project of Dr. Samin K Sharma and Mrs. Manju Sharma, laid its foundation with a dream to provide world class medical services to the people of Rajasthan. The team of experienced and eminent doctors, nursing care, patient care and the management all worked with the single goal to make Eternal Hospital a most preferred hospital in no time. Today we are proud to say that the result of hardwork and dedication of every one proved it.

Eternal Hospital is now the only hospital of Rajasthan with **JCI accreditation** for providing international standard patient care and organized management. We are **NABH, NABL**, Nursing Care accredited along with affiliations from Mount Sinai Hospital, New York USA. Eternal Hospital is the 2nd Indian hospital having Recognition of Centre of Excellence (COE) from American College of Cardiology.

When it comes to choosing a hospital, one thing is clear: quality counts. With tradition, excellence and quality in providing medical care in a comfortable and convenient environment, Eternal Hospital bring peace of mind for the hundreds of patients we care about every day with the help of our doctors, specialists and nurses.

This 250 bedded hospital brings the best in multispecialty treatment to the state of Rajasthan with state-of-the-art technology focusing on the specialties like Cardiology, Cardiac Surgery, Neurology, Neuro Surgery, Orthopaedic & Joint Replacement, Spine Surgery, GI Surgery, Nephrology, Paediatrics, Gynaecology, Critical Care, Urology, Pulmonology, Gastroenterology, Diabetes and Endocrinology and many more. Why Jaipur is preferred destination for healthcare treatment?

RAJASTHAN

JAANE KYA DIKH JAAYE!

About Rajasthan

Rajasthan is a vibrant, exotic state where tradition and royal glory meet in a riot of colours against the vast backdrop of sand and desert. It has an unusual diversity in its entire forms- people, customs, culture, costumes, music, manners, dialects, cuisine and physiography. The land is endowed with invincible forts, magnificent palace "havelis", rich culture and heritage, beauty and natural resources. It is a land rich in music, Dance, Art & Craft and Adventure, a land that never ceases to intrigue & enchant.

Rajasthan with its rich cultural and historical traditions is a favourite amongst the tourists coming to India and this can be leveraged to garner a bigger share of medical tourism due to the presence of high quality medical institutions in Jaipur. The Rajput culture acknowledges the Pink City to be best for hospitality. Pink City – Jaipur is now becoming a heaven for medical tourism. World class medical expertise coupled with international standards at economical prices and peaceful surrounding of Jaipur is lining up the entire city as one of the most preferred destination amongst the tourists that visit India seeking for medical treatments. Most of the physicians that practice in Indian hospitals and clinics have returned back to their city Jaipur from Europe or US leaving behind their successful practices. As per survey, Joint replacement and Cardiac angioplasty surgeries are five times economical in Jaipur as compared to US.

About Jaipur

Jaipur is one of the most important cities in India from the point of tourism. Situated in Rajasthan the city was founded by Maharaja Sawai Jai Singh II on 18 November 1727. Jaipur is a land of natural beauty and great history. It has a flourishing tourism industry. Also called pink City, it is the capital of Rajasthan. It is well connected to the other parts of the world, through its vast network of airways, railways and roads.

Hawa Mahal is one of the important hallmark of Jaipur that attracts tourists from all over the world.

City Palace is one of the architectural wonders that reflects a perfect blend of the Rajasthan and Mughal architectural style.

Jantar Mantar this famous observatory was built to study the movements of stars and planets.

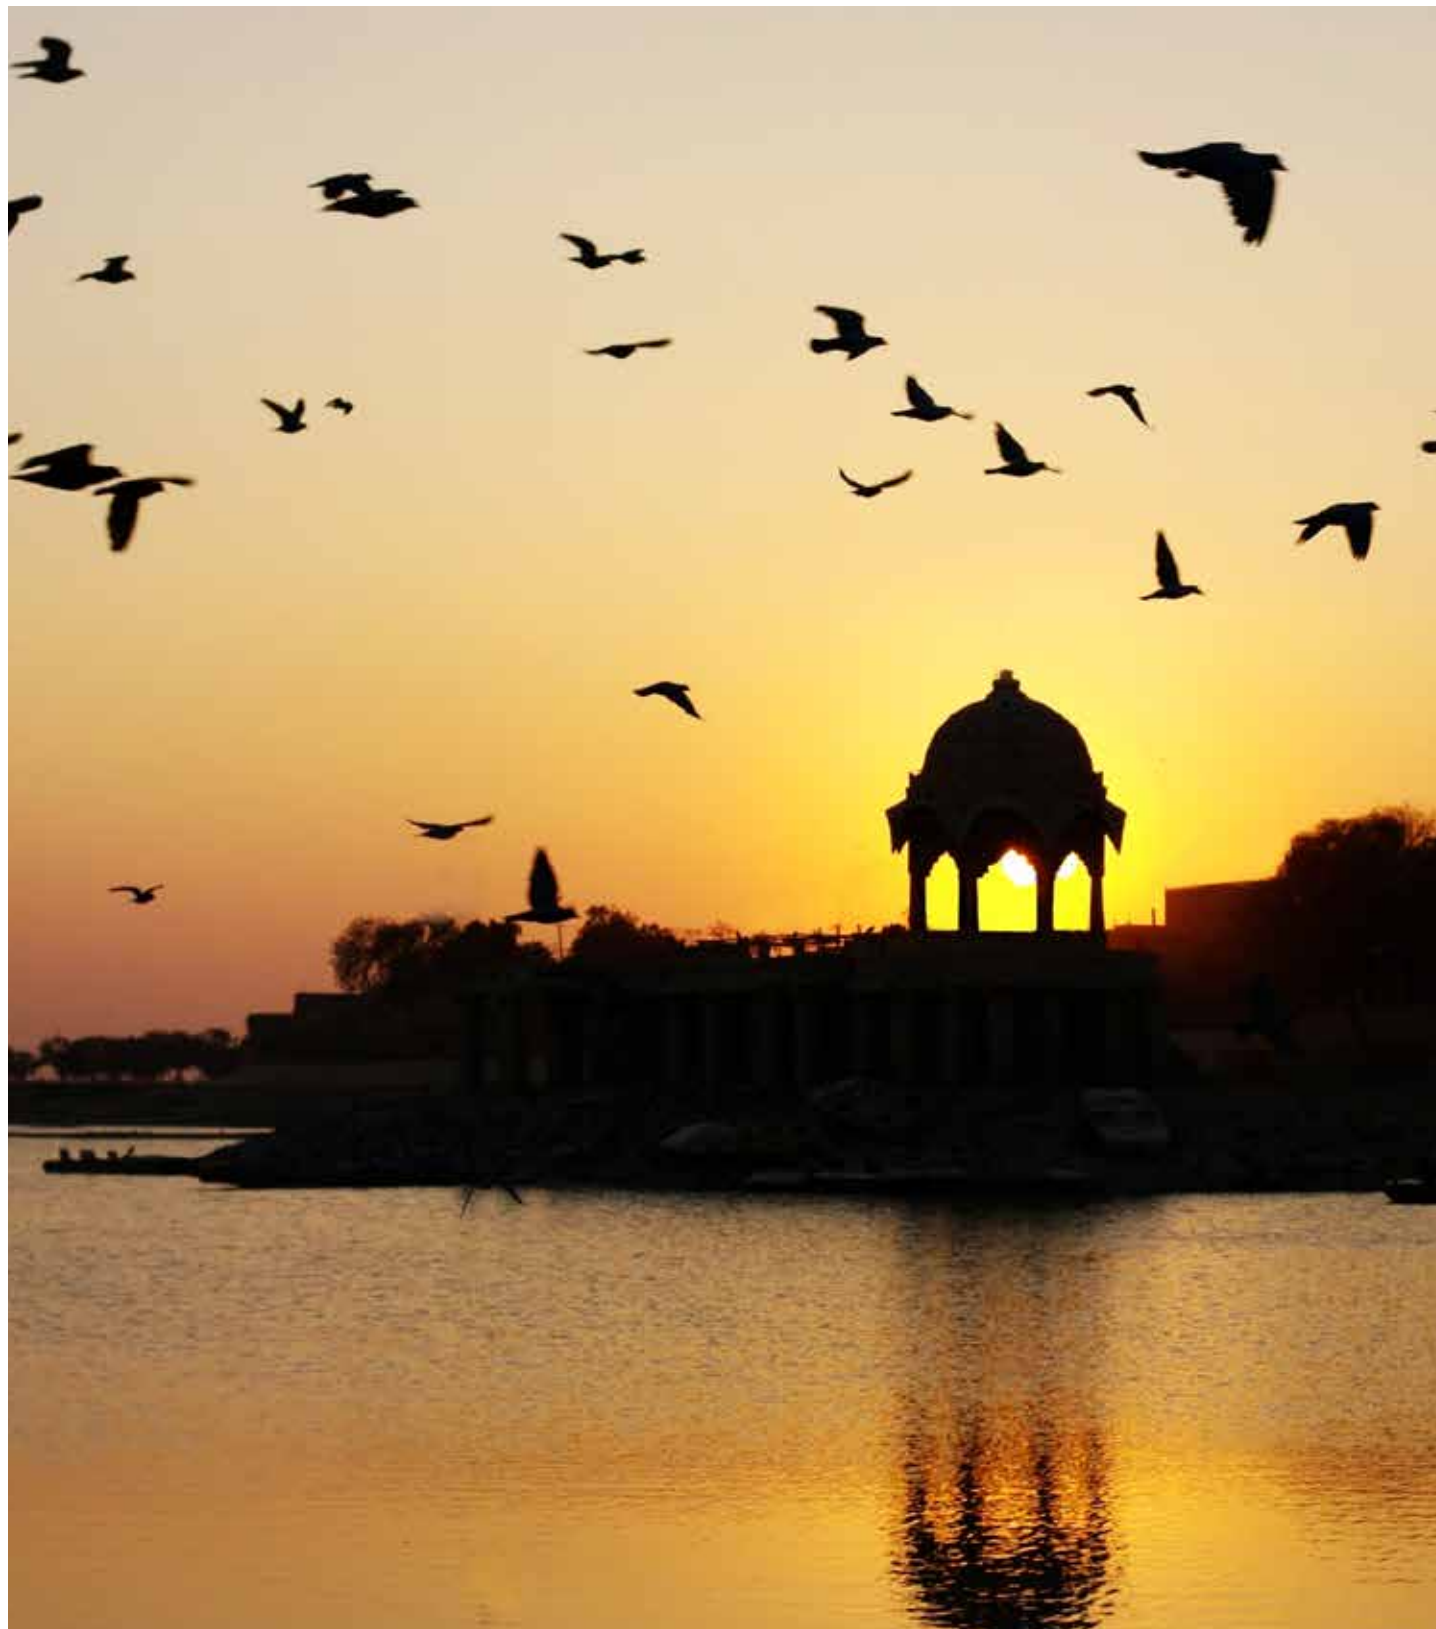

Albert Hall is magnificent building and is the store house of artefacts and paintings of the past.

Jaigarh Fort This fort gives a bird's eye view of Jaipur.

Must visit places near to Jaipur

Udaipur is often called "Venice of the east". It is also the city of lakes. Udaipur is a city, in the state of Rajasthan in western India. It is located 403 kilometres (250 mi) southwest of the state capital. Apart from its history, culture, and scenic locations, it is also known for its Rajput-era palaces. The Lake Palace, for instance, covers an entire island in the Pichola Lake. Many of the palaces have been converted into luxury hotels. Lake Pichola, FatehSagar, LakeUdaiSagar and SwaroopSagar in this city are considered some of the most beautiful lakes in the state.

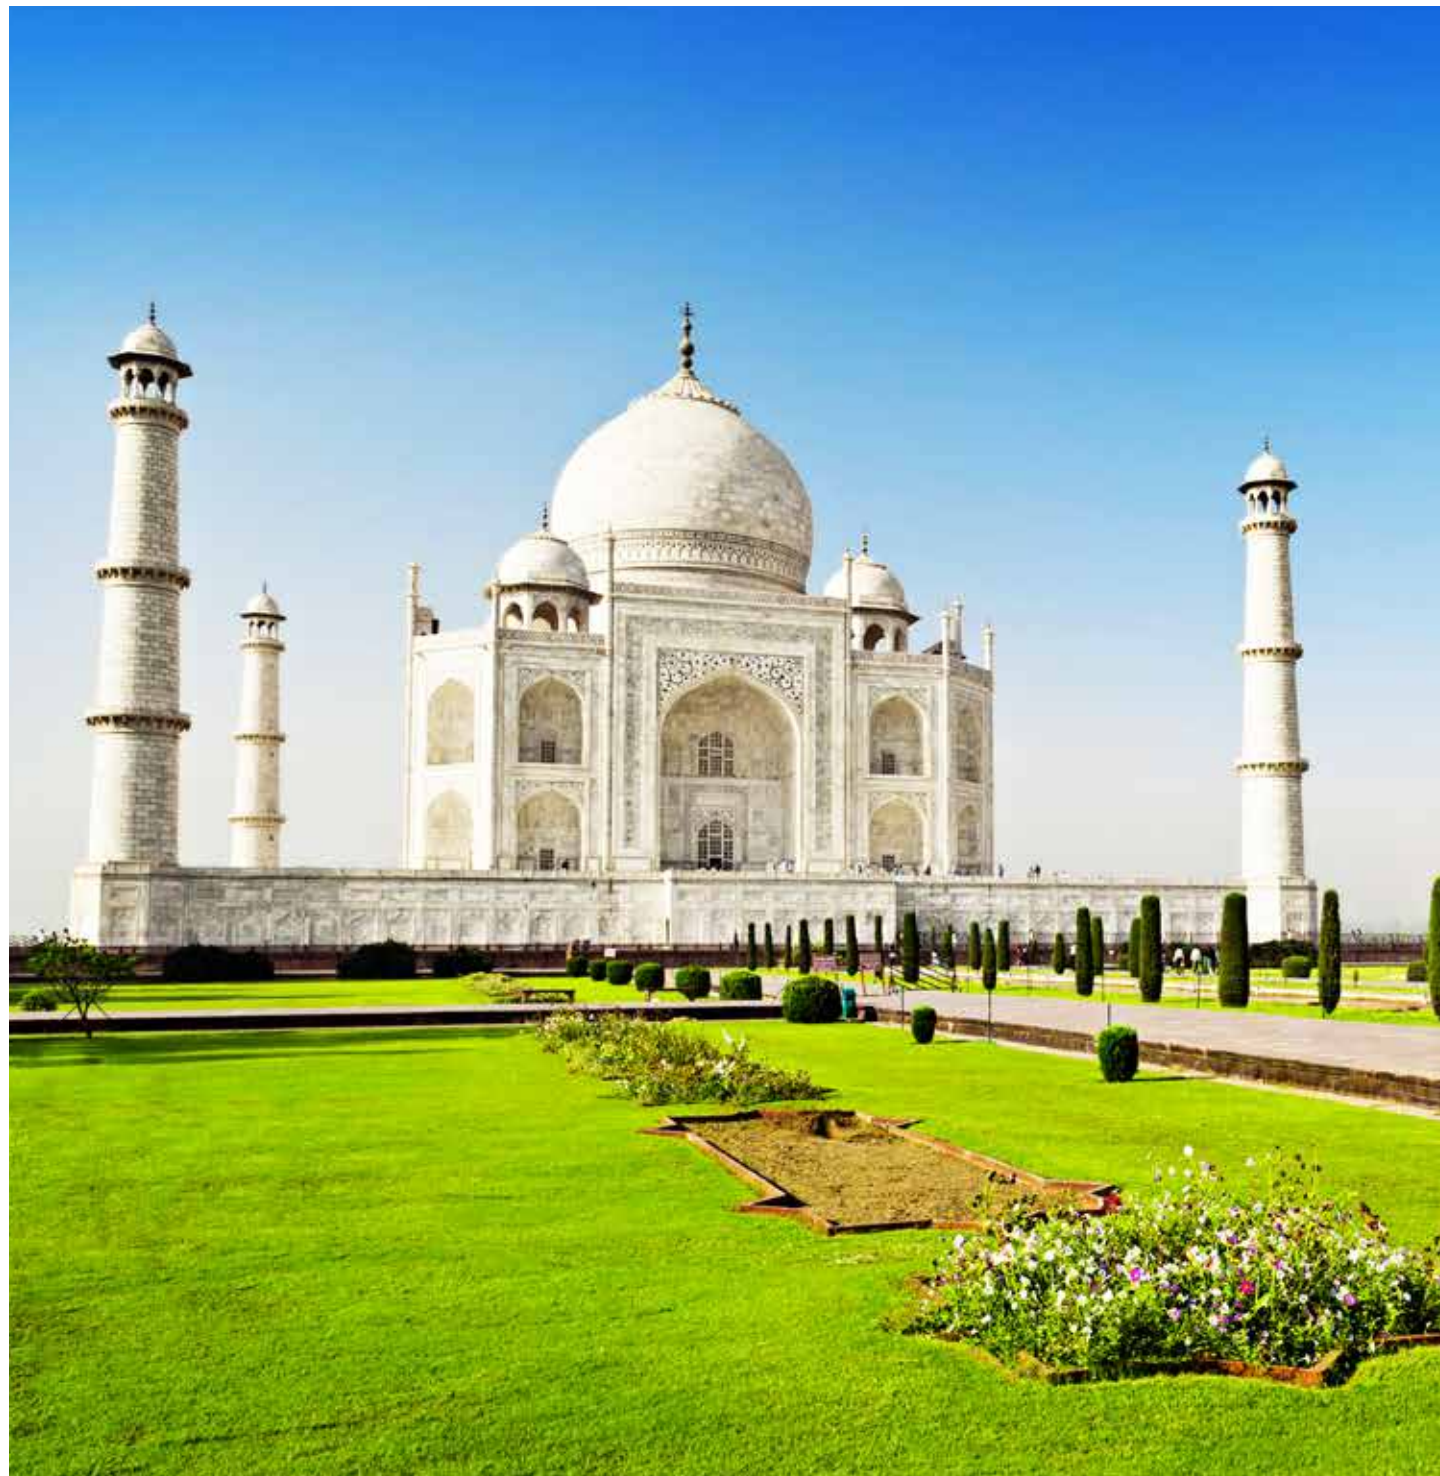

Jaisalmer nicknamed "The Golden city", is a town in the state of Rajasthan. It is located 575 kilometres west of the state capital Jaipur. It is a World Heritage Site. The town stands on a ridge of yellowish sandstone, crowned by a fort, which contains the palace and several ornate Jain temples. Many of the houses and temples are finely sculptured. It lies in the heart of the Thar Desert (Great Indian Desert).

Ranthambore National Park is one of the largest national parks in northern India. It is situated in Sawai Madhopur district of south-eastern Rajasthan, about 160 km southeast of Jaipur, which is also the nearest airport. Ranthambore was established as the Sawai Madhopur Game Sanctuary in 1955 by the Government of India and was declared one of the Project Tiger reserves in 1973. Ranthambore became a national park in 1980. In 1984, the adjacent forests were declared the Sawai Man Singh Sanctuary and Keladevi Sanctuary, and in 1991 the tiger reserve was enlarged to include the Sawai Man Singh and Keladevi sanctuaries.

Ranthambore wildlife sanctuary is known for its tigers and is one of the best places in India to see these majestic predators in the jungle. Tigers can be easily spotted even during the daytime.

The Taj Mahal (from Persian and Arabic, "crown of palaces", also "the Taj") is a white marble mausoleum located in Agra, Uttar Pradesh, India. It was built by Mughal emperor Shah Jahan in memory of his third wife, Mumtaz Mahal. The Taj Mahal is widely recognized as "the jewel of Muslim art in India and one of the universally admired masterpieces of the world's heritage". Taj Mahal is regarded by many as the finest example of Mughal architecture, a style that combines elements from Islamic, Persian, Ottoman Turkish and Indian architectural styles. In 1983, the Taj Mahal became a UNESCO World Heritage Site. While the white domed marble mausoleum is the most familiar component of the Taj Mahal. Taj Mahal is in Agra which is situated at a distance of 265 km from Jaipur. Land of one of the Seven Wonders of the World; the Taj Mahal, Agra is well connected to Jaipur by road and train. However, the best way to reach Agra from Jaipur is by road, a journey of about 5 hours by bus.
