THE WEEK

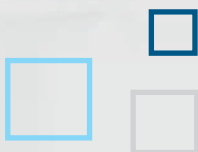

ETERNAL HOSPITAL
is among

TOP 20 HOSPITALS OF INDIA*

We appreciate your
Confidence & Trust
over the past 10 years

*“Where good care leads...
good health follows...”*

There are few things more important to us than the **Trust and Confidence** you place in us. And there is no joy greater than living up to those expectations.

Eternal Hospital is rated as one of the best hospitals among the Top 20 Hospitals of India 2023 by Industry Insight*.

At Eternal, we have always believed that life is priceless. We've left no stone unturned in protecting what's precious. From the latest technology to the world's finest clinicians and treatment outcomes, we have always set the bar higher. Today, the world recognizes it.

We thank you for the confidence & trust. And look forward to doing even better, every single day.

International Standard Comprehensive Care with Knowledge Sharing

All Under One Roof with Multi-Speciality Backup

Eternal Hospital has consistently set benchmarks in patient care, clinical research protocols, and healthcare delivery systems through gentle hands and strong expertise.

The prestigious JCI (Joint Commission International) accreditation stands as a testament to Eternal Hospital's unwavering commitment to providing world-class patient care and maintaining the highest standards in healthcare delivery in Rajasthan. Notably, it is the sole JCI accredited Hospital in the region, marking it as the highest international benchmark available worldwide in healthcare.

NABH & NABL:

Eternal Hospital (A unit of Eternal Heart Care Centre and Research Institute) is the most preferred multi-speciality NABH and NABL accredited hospital with a 250-bed capacity.

This landmark healthcare institute is the realization of the visionary goals set by Mrs. Manju Sharma and Dr. Samin K Sharma, a world-renowned Interventional Cardiologist based at **Mount Sinai Hospital, New York, USA**. Eternal Hospital proudly engages in knowledge sharing with Mount Sinai Hospital, New York, USA, an institution internationally recognized for its top-performing physicians and revolutionary research centres.

Eternal Hospital is recognized as India's preferred centre for excellence by the **American College of Cardiology**.

Your trust in us is our motivation to continually strive for excellence. Thank you for choosing Eternal Hospital.

Dr. Samin K Sharma

Chairman - Eternal Hospital

"Dr. Samin K. Sharma is a renowned interventional Cardiologist in New York, USA hailing from the State of Rajasthan, Jaipur from where he did his schooling and obtained his technical degree from SMS Medical College Jaipur with numerous gold medals to his credit.

He earns his name in United States as the Cardiologist doing the highest number of complex coronary interventions each year (over 1500) with lowest mortality rates < 0.2%, receiving the Prestigious "***" "Star designation". He also specialises in non-surgical treatment of Mitral and Aortic Stenosis and Transcatheter Aortic Valve Replacement (TAVR) and is also known as the "Master of Rotablator" a new angioplasty tool incorporating a miniature diamond tip power drill. The invention of 'Kissing Stent' is also to his credit for complex Angioplasties.

His career in the United States began with the residency in Internal Medicine at New York Infirmary – Beekman Downtown Hospital (1983-1986), Fellowship in Cardiology at Elmhurst Hospital 1986-88 and training in Interventional Cardiology at Mount Sinai Hospital to be finally appointed at the same hospital and is presently holding the post of Director of Interventional Cardiology and Cardiac Catheterisation Laboratory since 1996. He is also the Co-Director of the Zena and Michael A. Weiner Cardiovascular Institute and the Marie-Josée and Henry R. Kravis Centre for Cardiovascular Health.

Dr. Sharma is a globally renowned leader and teacher; helping physicians around the world learn the latest techniques and technology in Interventional Cardiology. He has been the Director of the week long symposium every June called Complex Coronary, Valvular and Vascular Cases (www.cccsymposium.org) for the past 21 years, bringing in around 1000+ delegates annually. He also started CCC Live Cases (www.ccclivecases.org) in 2009, which is a live webcast series that broadcasts live procedure 2-3 times per month, now garnering an audience of 10,000 viewers in 138 countries per month.

Mrs. Manju Sharma

Co-Chairperson & MD, Eternal Hospital

Mrs. Manju Sharma is a distinguished NRI entrepreneur and a leading name in the field of medical health care. She is the Co- Chairperson & Managing Director of Eternal Hospital, Jaipur, where good care leads, good health follows.

The story of Eternal Hospital, from a thought to its foundation stone is full of courage, confidence, commitment and consistency. Ms. Manju Sharma, the wife of renowned cardiologist of USA, Dr. Samin Sharma, envisioned the dream to build the global model in healthcare in Jaipur for the welfare of the community. She faced a lot of challenges and confronts including from the family but undaunted she managed to lay the foundation of Eternal Hospital in 2009 without compromising her ethics and values. With dedicated supervision, hard work and motivation she carried the entire responsibility of articulating, designing and implementing their reverie. It was due to her passion and sheer hard work that the hospital became operational in Sept 2013 and there has been no looking back since then. Her priority is to make Eternal Hospital a centre of excellence in the area of medicine with highest international standards.

Mrs. Sharma feels that "If you want to be successful, you have to follow your passion". She never dreams for outcomes but works for it. She says that a successful woman is one who can build a firm foundation with bricks others have thrown at her. Healthcare leans towards quality patient care which is only possible with passionate and disciplined team work. Being at the helm of affairs, she is responsible not only for care inside the institution, but also for the health of the community as a whole.

Mrs. Manju Sharma is on a noble journey to touch and save lives. "Always reinvent yourself and stay relevant" are well said words of her mother that empower her to follow four mantras i.e. Courage, Confidence, Commitment and Consistence.

Mrs. Sharma has been widely recognized and acknowledged for her potential, extra efforts and dedication towards delivering the best in healthcare services in the state. Dainik Bhaskar Women of the year award 2022 in Business and Profession category for her exemplary work done, Honoured as "Asiaone's Bhartiya Mahantam Vikas Puraskar 2020" for her leadership in healthcare industry at Bangkok.

Dr. Pracheesh Prakash

Chief Executive Officer

Dr. Pracheesh Prakash Pandey, Chief Executive Officer of Eternal Hospital Jaipur (EHCC), is a multi-faceted individual. He is a postgraduate in internal medicine. His inclination towards administration led him to get trained in general management at XLRI Jamshedpur. Apart from his clinical exposure of over 7 years, he has hospital business experience of more than 12 years across a variety of functions, including P&L management, acquisitions, administration, healthcare services, and clinical and non-clinical operations management.

He has spent his last decade with several renowned groups of hospitals in key positions. This includes contributions to Apollo Hospitals Hyderabad and Global Hospital Bangalore.

He was associated with the CK Birla group of hospitals for 6 years and played key roles at multiple positions across its centres at Kolkata, Delhi, Gurgaon, and Jaipur. He was involved in formulating and implementing strategic plans that provided direction to the organisation's growth and helped in establishing CK Birla Hospitals as a key brand in the healthcare industry.

In his current role as CEO of EHCC Hospital Jaipur, he has led the hospital to become the market leader in Rajasthan. EHCC has recently expanded into another 100+ bed facility at Sanganer, Jaipur. Throughout his career, he has pioneered a series of initiatives to improve patient care and streamline processes. A disciplinarian and people-oriented person, Dr. Pracheesh has also implemented many innovative ideas for aggressive revenue ramp-up and cost management.

He has won laurels for the same.

Dr Manmeet K. Makkar

Medical Director

Dr Manmeet K. Makkar, MD (Anesthesia), MD (Acupressure), MBA in Hospital Administration working as Medical Director Eternal Hospital Jaipur has more than 20 yrs of rich experience in Clinical Sciences and Anaesthetic Management came into core management since last 5 years. Since then, she is managing all the operational functioning of all the departments of hospital and creating robust planning to support patients, their families and community to achieve optimal health. She works on competitive matrices to gauge the performance and provide a set of standards enabling the team and department to guide their departmental decisions. She deeply imbibes the passion and commitment for exceptional patient safety and clinical excellence enabling health systems to deliver transformational performance with complete transparency.

The pandemic has offered the healthcare industry a novel learning curve to steer operations of a hospital through adversity. We have always been at the forefront of managing the pandemic and boosting the vaccination campaign.

During COVID period she designed the programs for clinical trials, closely monitored the quality of patient care, evaluating the facility for safety, efficiency, and adherence to regulatory agencies policies.
