Overall Experience of hospital hospitality was awesome. Communication with Doctor Sanjeevji was Excellent. Patient history and going through Problems and specially making every confusion clearly is very good. I.C.U. attendants were really helpful and smiley. Nursing staff was were caring and food served quality is good. Doctor Sanjeev K. SHARMA ~~etc~~ gave all concerned points a good time usually when patient have a doubt about problems and not cleared he is not satisfied and a corner of fear. He is very co-operative to understand and explain us. we had no problems and had a great hospitality. we are happy to choose ETERNAL.
