FEEDBACK

We have a very nice experience with all the facilities of the hospital.

* Fantastic lovely staff, clean rooms, a really good experience".
All the staff, on arrival, during pre-delivery stage and during and after the delivery were absolutely fantastic and showed absolutely amazing compassion, patient care, and humour.

Everyone in staff are very professional & friendly.

I thank you to our consultant Dr. C.P. Dashnich & special thanks to night shift nurse "Pushpa", who made us felt a very good hospitality experience, very polite, quick & attentive.

Overall services of the hospital are good.
The thing which we liked the most is - it's neat & clean hospital. I would not ~~not~~ hesitate to recommend EHCC if I ever need their services in the future.

A big thanks to ~~the~~ all the team for looking after my wife.
